

# National Child Day 2008

## Free Family Events

**On Thursday, November 20, 2008 families across the world will celebrate National Child Day.**

National Child Day commemorates the adoption of the UN Convention on the Rights of the Child. It is a day to celebrate children and to remember that they need love and respect to reach their full potential.

This year, the Children's Rights Interest Group of Niagara, along with participating municipalities, the YMCA of Niagara, and the Boys and Girls Club of Niagara invite families to visit any of the locations listed below for a free hour of skating or swimming in recognition of this important day.
