**Summary:** Uh-oh! Little Owl has fallen from his nest and landed with a whump on the ground. Now he is lost, and his mommy is nowhere to be seen! With the earnest help of his new friend Squirrel, Little Owl goes in search of animals that fit his description of Mommy Owl. But while some are big (like a bear) or have pointy ears (like a bunny) or prominent eyes (like a frog), none of them have all the features that make up his mommy. Where could she be?
