Because a world fit for children is a world fit for everybody.

Dear Mr./Ms. _____,

We invite you to join our local National Child Day festivities on Saturday November 20th.

November 20 is National Child Day. This is the day our nation has chosen to commemorate two historic events for children:

- The UN Declaration of the Rights of the Child (1959)
- The UN Convention on the Rights of the Child (1989)

_____ will be coordinating a variety of activities to celebrate these historic events and to raise public awareness of Niagara's leadership position in the field of human rights for children.

As part of the celebration, a variety of activities have been organized for children and we will be handing out blue ribbons and posters, as well as asking people to show their support for public policies, programs and laws that put children first. Please see the attached agenda for further information about _____.

Join us in celebrating the children in our community!

Sincerely,
